Re: HQ-2019-00477-F

Dear Mr. Pfeiffer:

This is in response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You requested the following:

**Report on the Safety Criteria for Plutonium Bearing Nuclear Weapons, (Washington DC: US Atomic Energy Agency, report # RS/564011032, 23 January 1973).**

Any documents that may exist at the DOE that are responsive to the request are under the jurisdiction of the National Nuclear Security Administration (NNSA) Albuquerque Complex. For this reason, I have sent the request to Mr. John Weckerle, FOIA Officer at that location, to conduct a search of the files and provide a response to you.

If you have questions about the processing of the request, please contact Mr. Weckerle at the NNSA at P.O. Box 5400, Albuquerque, NM 87185-5400. He also can be contacted on (505) 845-6026. You may contact DOE's FOIA Public Liaison, Alexander Morris, FOIA Officer, Office of Public Information, at 202-586-5955, or by mail at MA-46/Forrestal Building, 1000 Independence Avenue, S.W. Washington, D.C. 20585 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

This is the final response that you will receive about your request from this office. You may contact Mr. Llewellyn Smith of my staff on (202) 586-6039 with any questions about this letter.

I appreciate the opportunity to assist you.

Sincerely,

  
Alexander C. Morris  
FOIA Officer  
Office of Public Information
